The Wilderness: Log Cabins, RVs and Camping Branson, Missouri

(Branson, MO 2018) The folks at Silver Dollar City's Wilderness Campground are ready for those planning an escape, offering authentic log cabins, RV sites and tent camping sites in a wooded natural setting close to all the entertainment options in Branson, Missouri. Camping getaways at the Wilderness begin when the campground opens March 13.

The Wilderness, named "One of the Best Midwest Campgrounds" by Midwest Living Magazine and awarded the TripAdvisor Certificate of Excellence, is close to the award-winning Silver Dollar City theme park, the Showboat Branson Belle lake attraction, White Water water park, the Branson entertainment district and Table Rock Lake.

The themed campground retains all of the shaded, rustic charm generations of guests expect and accommodations ranging from the ever-popular Pioneer Cabin (don't look for a bathroom or kitchen here) to rustic-looking cabins that feature all the modern amenities including a full bath and kitchenette, air-conditioning, a dining area, a gas grill on the porch and some even have a jetted tub to relax in.

The Wilderness also remains a popular destination for those who bring their homes with them. Guests can choose from about 100 spots with 30- and 50-amp RV hookups or try out RV camping with one of the rental RVs. For tent campers, nearly 40 tent sites are available.

Once unpacked, guests can explore all the campground has to offer, from the General Store and swimming pool to any of the three playgrounds or the air-conditioned family lounge with free Wi-Fi. A game room is available for families to spend time together playing air hockey or board games or just kicking back for a movie.

Guests also enjoy free shuttle service to and from Silver Dollar City, and Family Entertainment Nights on Friday evenings during the summer feature the In-Stead Pickers. Group rates are available for camping get-togethers and family reunions.

Visit the campground at 5125 State Hwy. 265 in Branson to see why the Wilderness is itself a destination. The Wilderness is open March 13, 2018 – January 2, 2019. Information is at 800-477-5164 or www.silverdollarcity.com/wilderness.
